TENNESSEE HOSPITAL ASSOCIATION

# A STRONG VOICE FOR HOSPITALS.

For more than 20 years, THA's political action committee, *Friends of THA*, has supported legislators who are sensitive to issues impacting hospitals and their patients in Tennessee.

With the anticipated changes to the healthcare landscape, continuing with that tradition in 2017 is more important than ever.

The 2017 *Friends of THA* fundraising goal is \$125,000. These funds improve our ability to develop meaningful working relationships with legislators, which increases our chances for success.

Contribute to *Friends of THA* today to help us remain a strong voice for hospitals.

## MAKE YOUR CONTRIBUTION TODAY!

Anyone can contribute to *Friends of THA* - board members, executive staff, volunteers, physicians and other hospital employees are all encouraged to participate. The PAC also can accept contributions from corporations, so consider asking your vendors to make a contribution in support of the continued success of the institutions they serve.

*It's easy to contribute online!*
