8:45 - 10:15 am **KEYNOTE ADDRESS**

ALL FOR ONE: THE SCIENCE OF LOYALTY, COLLABORATION AND TEAMWORK

James Kane
Loyalty Expert and Behavioral Scientist

Nothing has accelerated the advancement of human beings as a species more than the ability to live and work with others. Yet, despite hundreds of thousands of years of practice, most people still are not very good at it. James Kane will share the science behind cooperative behavior and the influences that impact human connections. The revelations are surprising, if not shocking, and critically important for any organization looking to create a more cohesive, productive, engaged and fulfilled team.
