

Palliative Care CONFERENCE

How Palliative Care can Support Patients, Communities and the Care Continuum

Join us to learn and discover how palliative care can support you, your patients and community. While palliative care continues to be an essential practice of hospice, it also can be a clinical specialty that supports the care continuum prior to qualifying for the hospice benefit to manage patients facing serious illness and injury.

Date and Time:

September 27, 2019
8:00 a.m. - 3:45 p.m. CST

Location:

Virginia Way Conference Center
5201 Virginia Way, Brentwood, TN 37027

Cost to Attend:

\$40 in state, \$75 out of state

Keynote Speaker:

Diane Meier, M.D., director at the Center to Advance Palliative Care will present on *Palliative Care Futurist: Matching Care to Our Patient's Needs*. She will describe effective palliative care models in home, telemedicine and outpatient settings in addition to the quality and cost outcomes of palliative care models.
