PROGRAM

Marketing Toolkit Guidelines

Hospitals are invited to use this toolkit when marketing to and recruiting nurses. This toolkit includes templated materials and graphics that can be customized with your hospital's logo. Toolkit includes:

1. Templated flyer 8.5" x 11". [Click here to open Microsoft Word document](#). Then click Download. You will be able to add your hospital's logo, name, and contact details in the downloaded version.
2. Social media graphics/captions
3. Website copy

Please follow the guidelines below. If you have any questions, please email jmazo@tha.com.

- The THA Nurse Residency Program logo may not be removed or altered.
- "In collaboration with: Vizient /AACN Nurse Residency Program™" must remain on all materials.
- Text may not be modified with the exception of adding your hospital name in the designated template text areas. Colors and fonts may not be altered.
 - Fonts: Arial and Arial Black
 - Colors:
 - Red - Hex #C21F32, RGB: 194, 31, 50
 - Blue - Hex #24356F, RGB: 36, 53, 111
 - Body text: #233746, RGB: 35, 55, 70
- When referring to the program, please use one of the following:
 - "[Hospital Name] and the THA Nurse Residency Program"
 - "[Hospital Name] in partnership with the THA Nurse Residency Program"
 - "[Hospital Name] in collaboration with the THA Nurse Residency Program"
- Hospitals may add their logo to materials in the designated areas (see page 2). **We recommend using the customizable social media graphics files linked below.** You'll be prompted to create a free Adobe Express account to view the files. After creating an account, click "Remix this design" to add your hospital's logo.
 - Instagram, Facebook, LinkedIn

Embark on your nursing career with [\[Hospital Name\]](#) and the THA Nurse Residency Program! We are invested in your growth and development to help you successfully transition to professional nursing. This program is open to RN and LPN nurses within their first year of practice. Statewide cohorts begin in the fall and spring.

Program Highlights

- Strengthen competencies in collaboration, leadership, communication, delegation, and evidence-based practice.
- Participate in 12 educational and professional development seminars.

Each Nurse Resident will participate in 12 educational and professional development sessions, lasting four hours per month. Sessions are provided virtually and facilitated by the THA's qualified clinical staff.

The program is provided at no cost to the employee or the hospital and is made possible by a Health Resources and Services Administration Grant from the Tennessee Department of Health.

The program is in collaboration with Vizient/AACN Nurse Residency Program™

INSERT HOSPITAL LOGO HERE.
