

NEXGEN:
TENNESSEE HOSPITAL
EXECUTIVE INTERNSHIP

2027 HOSPITAL COMMITMENT FORM

ABOUT THE NEXGEN: TENNESSEE HOSPITAL EXECUTIVE INTERNSHIP

The NexGen: Tennessee Hospital Executive Internship is a supervised learning experience for qualified graduate students in healthcare administration. Through close work with administrators and staff, interns gain hands-on experience as part of the hospital's management team. This experience will help expand their knowledge and skills and pave the way for success as leaders in the healthcare industry.

WHAT DOES THE HOSPITAL'S COMMITMENT INVOLVE?

- The cost for hosting an intern is \$13,500. This amount covers the student stipend for the full internship and operating costs for the program.
- Each intern is assigned to a preceptor who serves as a member of the organization's senior management team.
- Welcoming an intern to the hospital's management team means the preceptor and other staff will work together to make the program a valuable learning experience for the student.
